CALL FOR APPLICATIONS 2024

GREEN DESTINATIONS TOP 100 STORIES

Inspire responsible tourism leadership
Every year, the Green Destinations Top 100 Stories competition generates an amazing collection of Good Practice Stories, covering many aspects of sustainable destination management and regeneration. They illustrate the leadership of their storytellers, and they are a great inspiration for destinations, businesses and travellers.

This 10\textsuperscript{th} edition of the Top 100 competition is supported by the Future of Tourism Coalition and partner organisations: ITB Berlin, the Asian Ecotourism Network, the Global Ecotourism Network, Ecotourism Australia, and Travelife for Tour Operators and Travel Agents.

We warmly welcome destinations from all around the world, to tell their story, to share their experience and successes, and to inspire the future’s tourism leadership.
